# ABOUT

**Nolce Business** is a subcontracting company specializing in the mining sector, operating primarily in support of large natural resource extraction companies. Our core business is the provision of technical, logistical, and operational services tailored to the requirements of the mining industry.

Thanks to our in-depth knowledge of the field and industry standards, we are able to intervene effectively at all stages of mining projects: from site preparation to post-extraction support, including skilled labor, we ensure safety and adherence to deadlines.

Nolce Business Company (NBC) is a Congolese company registered in Kolwezi, in the province of Lualaba. Founded in 2024, NBC has quickly established itself as a key player in its field, offering a diverse range of services to its customers.

# SERVICES

# MINING SUBCONTRACTING

We support mining companies in the DRC in carrying out their on-site operations, providing our expertise, skilled human resources, and technical solutions adapted to complex environments.

Our company has established itself as a strategic partner thanks to its solid field experience, in-depth understanding of mining issues, and ability to offer reliable, efficient services that comply with international safety, environmental, and quality standards.

# HOUSE KEEPING

Nolce Business specializes in professional cleaning and regular or one-off maintenance of all types of premises. We offer tailor-made services adapted to the needs of businesses, institutions, shops, industries, and condominiums.

- ✓ Cleaning of offices and professional spaces
- ✓ Industrial cleaning
- ✓ Cleaning after construction work or damage
- ✓ Maintenance of condominiums and buildings
- ✓ Window and facade cleaning
- ✓ Disinfection and sanitation treatment

## SUPPLY OF PRODUCTS AND SERVICES

We support businesses by providing comprehensive solutions combining products, equipment, and professional services tailored to their operational needs.

Our goal is simple: to make your daily work easier by offering you a reliable, centralized, and responsive service. Whether you are an SME, a large company, a government agency, or an international organization, we help you increase your efficiency by taking care of your material and technical needs.

## SALE OF ESSENTIAL GOODS

We work to provide essential products to employees, in direct partnership with companies. We offer a structured and flexible service that enables employers to take care of their staff by ensuring regular access to essential goods, without employees having to bear the financial burden immediately.

This is done with a view to supporting the well-being of employees by facilitating their access to quality products (food, hygiene, health, etc.).

# TRANSPORT AND LOGISTICS

Nolce Business Company specializes in transportation and logistics services, offering customized solutions to meet the needs of businesses, industries, institutions, and individuals.

We provide comprehensive management of goods transportation, from their point of origin to their final destination, ensuring speed, security, and traceability at every stage of the process.

# CONSTRUCTION

We put our expertise at the service of your construction projects, whether residential, commercial, industrial, or institutional buildings. From design to delivery, we support you every step of the way with professionalism, rigor, and compliance with standards.

Our mission is to build solid, attractive, and durable structures, strictly adhering to deadlines, budgets, and technical requirements.

# SALE OF PETROLEUM PRODUCTS

Nolce Business offers a professional service for the sale and delivery of petroleum products directly on site to businesses, industries, mining operations, construction sites, and institutions.

We provide you with a comprehensive and secure solution for the supply of fuels (diesel, gasoline) and other petroleum products, guaranteeing quality, regularity, and compliance.

## PRIVATE SECURITY

We provide our clients with a private security service with a highly trained team that is fully available to take on major challenges. When it comes to the security of property or people, our expertise has been proven in every respect for many years now.

Our extremely effective services are backed by special intelligence and technology.

# OUR PROVEN EXPERTISE

---

In a sector as demanding as mining, performance depends on reliable, responsive, and committed partners. Nolce Business Company is positioned as a key player in mining subcontracting, providing concrete solutions to the operational needs of mining companies.

- ✓ Proven expertise: A qualified, experienced team trained to the highest standards.
- ✓ Comprehensive service: From design to execution, we support you every step of the way.
- ✓ Fast and efficient service: We understand the importance of time and continuity in your business.
- ✓ Quality equipment: We use certified and durable equipment and spare parts. Customer focus: Each assignment is tailored to your specific needs.
